I apologise if you have received this paperwork before but unfortunately my computer packed up midway through and I am not sure whether you have all received the papers. Please note: the AGM will be held on 18 November at Imber Court. The date has been changed.

Dear Fellow Bowler,

You will have received this communication either by direct email from Bowls Surrey or possibly via your Club Secretary.

As a result of the vote to adopt the new Bowls Surrey Structure at the SGM held on 23 September 2023, we now need to establish the four Area committees, Part of the process is to seek nominations to form a new committee of five people for each of the four Areas within Surrey.

- Area Secretary
- Male Club Contact
- Female Club Contact
- Walter Cross Manager
- Phyl Hill Manager

This is a completely new structure - there are no existing postholders nor preferred nominees.

Each Area committee will be the link between individual bowlers and the (new) Bowls Surrey Management Committee, with a two-way flow of information. There will be three Area meetings and one combined Areas meeting held during the year.

A short description of the envisaged role for each of the 5 positions is attached to this email. In all cases though, you should be someone who expects to fulfil the role conscientiously, and to put in the necessary time and effort required. You should be a good communicator and a good listener, to be open to new ideas and to work as a team with your fellow committee members.

You (and any other affiliated bowler within your club membership) can apply for these positions within your Area. You can nominate yourself – ie you do not need to be nominated by your club, nor by specified individuals.

All nominations need to be submitted by Friday 22 October 2023. Voting for area committee members will take place at the AGM on **18 November 2023** at Imber Court at 10am

One of the benefits and hopes for the new structure is that individual bowlers will have the opportunity for better communication and involvement with what's happening within Bowls Surrey.

If you have any questions please do not hesitate to contact me on administrator@bowlsurrey.com

With kind regards

Sheron Mitchell

Administrator
